W.P.(C) NO. 28376 OF 2007

==========

Dated this the 25th day of September, 2007

J U D G M E N T

Petitioners have approached this Court seeking an order to the respondents to complete the revaluation of the paper of Industrial Management of VIIth Semester of B.Tech. According to the petitioners, they have made an application for revaluation on 2/6/07 and fee also has been remitted. It is submitted that despite this, there has not been any progress in the matter, as a result of which, they are not able to seek employment avenues.

2. I heard the learned standing counsel for the university also. He submits that the process will be completed and that it will take atleast two months to complete the process.

3. Taking into account the fact that the applications were made and fee also has been remitted in June 2007, I see no justification for further delaying the matter, for the further reason that the petitioners are candidates seeking avenues of employment.

4. Accordingly, I dispose of the writ petition directing the respondents to complete the process of revaluation and declare the results as expeditiously as possible, at any rate within a period of one month of receipt of a copy of this judgment, provided the application made by them has been received and are otherwise in order. The results of the supplementary examination they have attended in July 2007, will be expedited.

Petitioners are directed to produce copy of this judgment before the respondents for compliance.

Writ petition is disposed of as above.

ANTONY DOMINIC, JUDGE.
